THE BILLIARD ROOM

Workshops | Meetings | Conferences | Special Occasions | Events | Private Dining

Conference: 22
Cabaret: 22
Theatre: 61
U Shaped: 30
Classroom: 32

This room was traditionally designed as a masculine space, with male-only patrons admitted. In contrast to the Salon de Luxe, the Billiard Room has dark oak panelling and furniture with lighter touches added in the form of the purple detailing painted upon the walls. It would have been a smoky space, with a separate smoking den in place of what is now the servery and spittoons at every seat. Today, the Billiard Room is the perfect space for any meeting or event. This breath-taking and historic room can be used for private lunch or dinner functions, corporate meetings, as a presentation room and much more. Located on the second floor, the Billiard Room is accessible by lift and there are toilets on the same level.

THE BOARDROOM

Workshops | Meetings | Conferences

Conference: 16
Theatre: 30
Classroom: 12

Located next to the Billiard Room the Board Room is suited for numerous occasions. From meetings to brand launches this flexible space allows for all. The state of the art technology means that we will provide everything—gone are the days of memory sticks and cables! Simply log on to the Wi-Fi and you're all set, ready for that big money making presentation.

We provide water and stationary in all our basic meeting room packages and our talented kitchen team are ready and waiting for when you need to refuel. Each meeting space has been designed by Bo Concept who bring a modern contemporary vibe to the second floor. The wall length map of a 1901 Glasgow links the old in the original Willow Tea Rooms building and the new of the meeting spaces and retail store.

THE AV THEATRE

Workshops | Meetings | Conferences

Conference: 22
Cabaret: 19
Theatre: 40
U Shaped: 17
Classroom: 36

Looking for unique meeting or conference facilities with the wow factor and a range of options to suit your needs, all easily accessible in the heart of Glasgow? Our state of the art AV Theatre features natural light, personal phone, air conditioning, an 85 inch plasma screen with surround sound, views to the original Mackintosh chimney and adjustable lighting.

Perfect for presentations, strategy meetings, workshops and film events, this relaxed yet stylish room has been designed with you in mind. Located on the second floor, the AV Theatre is accessible by lift and there are toilets on the same level. Discrete storage cupboards allow the tables to be swiftly stored away where the room can be transformed into a completely open space. Ideal as a breakout area and easily adaptable to meet your needs.

Mackintosh at the Willow also host a number of film events in this space. The plush sliding curtains transform the room into a cosy relaxing space—perfect for any film event.
